AVOID COMPLIANCE ISSUES WITH LUNCHBOX FREE & REDUCED MEAL PROCESSING

As school nutrition experts, we know that processing and tracking Free and Reduced Meals—and preparing for the audits that accompany them—is of extreme importance to your school district. That’s why LunchBox[®] provides a fully compliant solution for creating, processing and tracking Free and Reduced applications and the subsequent meals sold.

With a real-time communication to the LunchBox[®] Point-of-Service terminal, your cafeteria staff will never have to worry about missed or incorrect reimbursement claims, and our application keeps you up to date for impending audits. Plus, with online application processing, your parents will experience the greatest of ease in completing their applications.
